“ My heartfelt sympathy goes to the Schlarp family. I first worked with Roy in the summer or'66 at Youngstown Steel on #4 bast furnace for McKee Co. We workedtogether for many years for Eichleay Corp. The Schlarp brothers were 2of my favorite operators. When I worked with them as a journeyman ironworker or as a supervisor I knew we were going to have some fun and get alot of work done. Thanks for the memories Roy. See you on the "Big One".
