“ Dear Shirley and family,

*I'm very sorry for your loss, but at the same time I'm glad Russ now has a new body and is free from all pain. "He will be with you longer than you will be a part". That is a song by the Legacy Five that I had played at Dad's funeral. It's just a reminder to all of us to appreciate the short time we have here on earth. Call me if I can help you with anything.*
