“ My deepest sympathy to the family for their loss. I met Ruth while working at Random House and loved working with her. She always had a smile to help lighten the mood of everyone and was always there to listen when you needed someone to talk to. Heaven has received another angel and she will be missed here on earth.

“ I met Ruth...Mrs. Gibbs, almost 2 years ago at University Hospital. We shared many stories, laughed most of the time, and even danced a little as she left the hospital. She always reminded me of my Grandmother, who actually passed away 3 years ago October 7th. Her positive attitude was contagious and visiting with her always made for a great way to start the day. My prayers and thoughts are with her family, lots of whom I got to know over the past couple of years. Take peace in knowing that Heaven has another Angel and that this Angel will always help make people smile. A good friend of mine always said, "Until we meet again," instead of goodbye, as goodbye meant forever.

Until we meet again!
