

Sally Louise Michael

August 29, 1945 - July 2, 2020

Sally L. Michael, 74, of Rensselaer, passed away on Thursday, July 2, 2020. Sally was born on August 29, 1945, to the late Kenneth and Jean (Wagner) Hasty.

Sally enjoyed being a stay-at-home mom while her children were young, but later established her Wee Wisdom Preschool and taught for nearly 30 years to an estimated 1,000 children.

In December of 1964, Sally married John Michael, a local educator, and they shared 55 wonderful years together. They enjoyed dancing, traveling to many of the national parks, and spending time with their family.

After her retirement from teaching in 1998, Sally was active in the Rensselaer community as well as the winters in her retirement community in Winter Haven, Florida. Sally was a very social person, and one of her loves was hosting meals and parties, small and large, in both Rensselaer and Winter Haven.

Sally is survived by her husband, John; two sons, Jeff (Cheryl) Michael and Greg (Katie) Michael; seven grandchildren, Rainey, Maddie, and Emmy (daughters of Jeff) and Sophie, Jimi, John, and Rowan (children of Greg); three sisters, Susie (Hasty) Riggs of San Antonio, TX; Marcy (Michael) Busse

of Twin Lakes, WI; and Gayla (Michael) Tilton of Coatsville, IN.

Due to the on-going pandemic, the family has chosen a private service. However, please visit www.jacksonfuneral.com to leave condolences and celebrate Sally's life.

“ John, Jeff, Greg & families-My heart is so saddened to hear of Sally's passing. She was truly one of the sweetest, kindest ladies I have ever known. I remember her starting her preschool & inviting Heather to be in her first class, followed by Stacie & Missy. She touched the hearts of so many children that passed through her "school". May she rest in peace.

“ I was privileged to spend "quality " time with Sally just days before she left us. She told me I was a " good sister-in-law", but I paled in comparison to her. She was also a dear friend. My late husband Chuck preceded her, she promised the two of them would have a " party" and share good memories on my behave. I love you and will miss you

“ Sally had all three of my sons at her pre-school. She was one of the most kind and patient women that I have ever met. I always knew my sons were safe with Sally. She taught them how to tie their shoes, how to mail a letter, how to stand in line and not always have to be first (Ben had a little issue with that, so his father got to have that visit with Mrs. Michael). Our youngest son was the very first class that she had that was all boys! The stories she told of that special group of seven (7) little fellas are some of the best. Sally, may you rest in peace. I truly believe there is a special place for you. The lives you touched are forever changed.

With much love and respect,
