“ So many memories. From when I was a little girl and they (Jani, Byrd & Deb ) did my hair and make up like the big girls...to spending time listening to the Beatles and the Rolling Stones...to carrying Jeff, Jon & Jessica on my hip...to just knowing this wonderful lady loved me no matter what. Lord, give her an extra soft cloud to rest on and extra special wings...she deserves them. Love Karen.

“ My Aunt Janie will greatly missed. Definitely gone too soon. There isn't any cancer in heaven. Time goes by way too fast that is for sure. Seems like yesterday when all the cousins were small and we all played at Grandma's house and celebrated July 4th every year. Rest in peace.
