“*Kevin and Mary, my family's thoughts and prayers go out for your family during a time which, as my wife Kathleen and I now know, is impossible to explain with words. God will get you through this time using family, friends, church, and those connected to Sean aiding you more than you can now realize. Think about all the great thoughts and memories you harbor for Sean and that will help. Remember, you will again get to see him one day take care, Jeff and Kathleen Walker*
