“ So very sorry for the loss of such a beautiful soul. She was always kind, caring and never seemed to have a negative comment. Sending prayers and healing energy to all who called her friend. Mom, cousin or aunt or grandma. The best quote I received after the loss of a loved one “Grief and you walk hand in hand until one day you take separate paths”. God bless.

“ *I am so sorry to hear about Sharon's passing. After Frank passed I never really got to visit with Sharon, but every year at Christmas she would send me a beautiful letter and tell me all about the kids and what they had been up to. She was so proud of her children and grandchildren. I looked forward to her letter every year. I know she will be missed by everyone who knew her. She was certainly one of a kind just a beautiful person. May she rest in peace.*

“ So many memories, so much fun and work together . . . I can't name just one specific . . . but each and every time there was that smile and we can do this attitude. My heartfelt prayers and sympathy to all of the family. We lost a treasure and Bob got his partner back by his side.
