“ Lin, Pat and Mike....my deepest sympathy to your family for the loss you have had. My heart breaks for you right now. I wanted to make sure I shared a memory of Sharon because I had many....when i use to get to stay over when we were young. First of all thanks for putting up with me while I was there...your mom always made me feel special when I came over I remember the random water fights we had a few times and your mom would always help me get you guys cuz she knew I was out numbered at home all the time. I remember hanging in the garage eating ice pops too. When I was in the hospital a couple of times your mom and Carol Blann always gave me VIP treatment. Lots of fond memories. I thought the world of your mom. To life long friends my biggest hugs at this time.

“ There are no words to convey how much I haved loved and cherished your mom's friendship over the years. Our moms were good friends too as were Pat and Billy. She was a very special, caring lady. Whenever we visited it always got around to bragging about our grandkids and of course our kids. I think we both thought being a mom and grandma was the best thing ever and we definitely know Sharon was great at both. Everyone who has known her has received a special blessing. My deepest sympathy to her family and all of us that knew her.
