I know this may sound strange, 9 years after her passing, but my son came across an old Bible with wedding photos of who I believe were Sharon and Eddie. I would love to get this to the family if they desire. How can i get in contact with someone?

“ To the family of Sharon Roehm,
I had the pleasure of meeting Sharon on my trip with Robin and Kari to attend Meg's beautiful shower, Sharon was such a gracious and lovely and kind woman, not even knowing me from Adam, she showed me true warmth and shared a delicious recipe with me. I will always remember fondly that trip and the kindness of the entire family. Sharon had such a joy about her, she's most definitely singing with the angels now. God bless you all, Dana T. Thompson

“ Although our time together was limited, our visits were always full of laughter, kindness, and friendship. We will always remember her kindness, her love for her family, and for treating us as if we were family. Blessed to have been able to call her a friend. I hope her family feels her loving arms wrapped around them through this difficult time. Fly high with those angels...
