“ *Sherri's sister-in-law Louise Wortley has regularly reminded us of her condition. Because we believe in the power of prayer and the indwelling Holy Spirit in every Christian, we have individually and collectively asked God to bless Sherri during sickness and to comfort her by the declaration of Jesus, "He who believes in me will live, even though he dies; and whoever lives and believes in me will never die." We trust that all who mourn for Sherri are embracing the comfort Jesus promises.*
