“ Shirley always loved me as one of her own children. She was, without question my other mother! I will always remember the time she tried to fix me up with her male nurse while she was in the hospital. I was so embarrassed when she told him how I needed a good man because she was tired of seeing me date a-holes! I love that she was looking out for me though. She was an amazing woman who always spoke her mind. She will be greatly missed.

“ I have so many great memories of my beautiful grandma! Some of when I was younger, some of thanksgiving dinners.. Insisting on cooking everything for everybody! However, my greatest memory was just before this last thanksgiving with her. Mom and I were driving her to CVS and to go get stuff for thanksgiving dinner when "I'll Fly Away" came on... Grandma didn't know all the words to the song but she sure sang it like she did. She out sang mom and I both and it will always be my most precious and beautiful memory of my grandma. I love you grandma and I can't wait to sing with you again!

“ Shirley came home one night from working and asked me of I knew any of these guys that had signed a piece of paper that she was holding. On the paper was Tommy Lee and the group of methods of mayhem. She said they were so obnoxious. I was so mad because I could have partied with Tommy Lee. She just laughed. I told her I would never forgive her for that. She told me it sucks to be you. She will be missed. Love you mom and I forgive you. Give my grandma Verla a kiss for me she is up in Heaven with you now.

“ I've known Shirley since I was well in Elementary School and she has a heart of gold but is also as tough as nails especially when it came to her kids. Her and I have been through some ups and downs but I've always looked up to her and admired her for her strength. and She was always very loving and caring towards me but yet she was never afraid to say what was on her mind. In the last years we worked together at the truck stop before I had to move again we became close. Shirley was a awesome lady and I've always loved her and will miss her always! And I send all my love and prayers to her family. God Bless You All!
