“ I have just found out this is the Terry that we all played canasta with on the internet. He was such a good friend to all of us on here. We all laughed together and we all cried together. I told him to please never give up cause we all love him so much. But I guess God had other plans for him. We all will miss him so much. Terry you will always be in our hearts.##imported-begin##Patsy Kaiser##imported-end##
