“ *I'm so sorry to hear of your loss. I just happened to check the Rens. Republican and saw her picture. My dad was Carl Allen, and I remember her as aunt Sonya, though I never knew why exactly. I remember that she was a special person and that we visited her at her house in Bailey's Corner. If I can get away from work, I will stop by on Thursday. God bless everyone. Carla*

“ You have my deepest sympathy. Sonya and Lucy worked with my Mom at the Jasper-Pulaski State Tree Nursery for many years. Sonya was in the Nursing Home with my Mom for a little while. My Mom got to go home then came to live with me til she passed away in 2014. My Mom talked so highly of the ladies she worked with at the Nursery. Sonya and Lucy were special to me too, met them through my Mom and they watched out for her when she first started working at the Nursery.

Sonya also looked out for her at the Nursing Home while my Mom was there. Mom didn't want to be there and Sonya made it easier for her.

I'll never forget her, for she and her Mom were great ladies, and I am proud and honored to have known them. They even looked out for me a time or two.

She'll be forever in my heart, daughter of Doris Dahn.
I'll miss her dearly,
Carla Dahn
