*Sue was always a welcome sight to see out to the "Junction". She was such a sweet person, and alway brightened our day. She is surely a ray of sunshine in heaven and one of God's Special Angels. I no longer work there but I know all the girls liked her, so this is from all the girls at Jasper Junction.*

“ So very sorry for your loss. Mrs. Wood was always one of my favorite teachers, and while some think she was only the study hall monitor, she taught many of us valuable lessons, about caring, respect, and hard work. She will be missed.
