Dearest Families, I am so sorry for your loss... As we have now all lost a loving friend... Our friendship started so very young, but lasted so very strong through the years... Sue, through the good times and the bad times I will always remember how you would throw your head back and just laugh out loud! And your humor was always the best... But then the serious talks would come through... Steve, I will always envision Sue standing right beside you, where she always stood! But as we all know her soul is now in heaven.... Sue, I miss you already! love Ginny

“ Steve and family, I want to say how sorry I am for your loss. I have great memories of all the days I spent with Sue when we were young, and stayed at the Mitchell house. And Sue and I always thought often of each other tho we did not see each other often. I really appreciated all the articles she would send me of my daughter in the paper. That was so special to me. I was always proud of the woman she grew into and the love she had for her family. She was a wonderful person and will be missed greatly. I only hope that God will give you comfort in knowing she is still with you in spirit and continues to love you from heaven.

“ Steve and family. I have no special words I can say, or any fancy saying, but I pray you know just how much my heart hurts for you and the family. I have always thought the world of Sue, she always had a smile and never failed to ask me about mom in the last several years. Your family has been part of me since I was born as Dad worked for your dad at the time.
