To the family and all those her grieve her loss. I graduated with Tammy in the 1980 class, while i did not know her well in high school, because i took the bad boy path, i remember her with such fond memories, for those who look to their idylic memories of growing up in Rensselaer Tammy's spirit stays with us always. The beautiful photos of Tammy bring back her spirit that lives forever with her classmates. We all grieve the loss, but know her wonderful spirit lives on with the sooo many she touched. Thank you Tammy!
