“ I know I haven't been around for years, but I wanted to say how sorry I am to hear of Terry's passing. I knew your family from church and we went to school together.

Terry will always be with you all in your hearts.##imported-begin##Jeannie Curtiss-Roach##imported-end##

“ Mr & Mrs Schultz, Jeff, Janet, and Bobbie, my thoughts and prayers go out to you and the rest of the family during this loss of Terry. He was always such a nice young man while I was attending KV and spending time with the family. It has been many years since any of us have seen each other, however, the memories of the time we had have remained in my heart over the years, much like Terry will always be in yours. Take care and may God bless each and every one of you during these most difficult of times.##imported-begin##Roger Homeier##imported-end##

“ To Terry's Family:

I don't even know what to say. Our families have been friends my entire life. Terry was a part of our family as well. I know he is in a better place now, free of the demons he carried with him here. I hope my Mom, Dad, and Cindy were there waiting for him when he came home today. He had such a giving soul and a huge heart. Terry, I love you and I will miss you very much. Brandon, Britney, Kendall, I am so sorry that you lost your Dad you are too young to be facing something like this. Just know that he loved you all very much and will be watching you and taking care of you from a better place. You have a lot of family and friends around you and you will need them during this time. You are all in my thoughts and prayers and the Lord does hear your prayers and He does listen, please don't lose your faith, He is all around you right now.
