“ *Dawn, though I never had the pleasure of meeting your father, as I look at his photo I realize that I can see him through your eyes and know him by knowing you. I know I would have liked him very much and can say with absolute certainty that he gave me one of the best friends I could ever have. Please know that Tom, the kids and I are thinking of you and your family and praying that you find comfort in the memories you hold close to your heart. Kim Witt*

“ Terri was a wonderful person. He was always so optimistic and put everyone at ease as long as I can remember...even as a teenager who hung around with his wonderful daughter Sue. He and Leigh were always so welcoming...I'll always remember his blue eyes with that sparkle....He taught us how to live because he taught us how to keep a joyful attitude and a quick joke thru it all. He was the first person I saw when I arrived at the church just before I was married. When I looked at him and saw tears welling up in his eyes I began to cry as well....he could make you laugh or cry with just a look.

God has blessed us many years with his presence in spite of his heart and health issues. It is poignant that he passed on Saint Patty's day and I think he would be pleased to know that he left us here on a day of universal celebration and joy. My faith and hope is that he is now celebrating with family and friends who have gone on before continuing in the light that he brought to us on earth. To Leigh and Sue, Dawn, Mike and his sisters and brothers, Julie Dan and Mike and all his grandchildren and great grandchildren, extended family and friends....may his love and God's love give you peace and comfort you at this time...our thoughts and prayers are with you all...he will be missed so.....Pat Piescinski Panelli & family.
