“ Donny and I left the funeral home at the same time tonight. He called my cell phone before I even got out to the main highway and told me to turn the radio on 103.9. "Simple Man" was playing. Those of you that know the story behind "simple man" know it was a sign. They are together.

“ I can't believe we had such a small window of time, but I will pray for Terri and all of you who will grieve her passing with me. Terri was one of a kind, and it was a real blessing to call her my friend. I thank God I knew her and loved her and that she loved me. I wish I had been half the friend to her that she was to me. Rest in peace sweet girl.
