“ *Baby,
For 22 years, you were the beat to my heart, my strength, my best friend, my everything.
I'd give anything to feel your touch, hear your voice, or look into your beautiful brown eyes one last time. Together, we made it through the rough times, sad times, and good times. We had two beautiful kids together, and for that, I am forever grateful. I get to see you live through them everyday. The little things they do reminds me of you.
You will be forever cherished and loved.
I love you Baby,
Always and Forever...
Your wife,
Christine Hyatt*
