“ When a loved one dies, family and friends feel a great loss. It is my hope to bring a comforting thought to the family. In the Bible book of Job 14:14,15 a large door of hope is opened. It says, "If an able-bodied man dies can he live again? You (God) will call and I myself will answer you. For the works of your hands you will have a yearning." Yes, the Creator longs to bring back to life those who have fallen asleep in death. What a wonderful promise and sure future for those who have fallen asleep in death. May you find comfort in this time of loss.###imported-begin###Jackie###imported-end##
