“ There are so many good memories of pops,that there is not enough room to share them all! I was brought into his life to help take care of granny. They both held a big part of my heart from day 1. I remember getting the call from Tina the night they transported him to Indy. Something in my heart told me to go see him before they transported him. I did. As they were putting pops in the ambulance,I grabbed his hand and told him to be good. He turned his head and his eyes opened. He knew I was there. I told him that we love him and his normal response was "uh huh". He is wearing his wings and dancing in the streets of gold with granny. I,like others,will miss him and always keep his memories alive. But I am glad he is free of pain and suffering. We love u pops! Fly high!!!

“ Sorry to hear of Tom's passing. He was always such a nice person. Such a gentleman. I feel grateful that he and his daughter came to Phil and Virginia' Leichty's get together before alumni in June. Was so good to get to see him and spend some time. May he rest in peace. Sincere sympathy for your profound grief. (I went to high school with Tom. Maiden name of Chorzempa.) He will be remembered fondly.

“ I have so many memories of Dad(Tom). The one that will always stick out in my mind is when I helped Tina run away from where she was living. We had called Dad to let him know we were coming and he was ready for us. When we showed up he told us we had to go cause Mom(Sandy) had already called him. He kissed us on the heads and sent us off to Bev's. Yrs later when we came together again we all got a good laugh about us being Thelma and Louise. Fly High Dad and keep looking down upon all of us. Always loved and never forgotten...
