We have known each other since February of 2002 when we worked at Golden Corral and people would get us mixed up cause we favored each other lol and all our adventures we took from that point over at each others house every day..going to dots and debs shopping ...going to jefferson mall and walking aroundsaying when we get so much money we are gonna own this and that i have so many great memories with you and you made me laugh so hard at times i thought i would bust ... Im gonna miss that it seemed just like yesterday infact it was last week that we made plans for when i came to louisville we would get together and take our babies out..but it was cut short ... i know you had a hard time when i left louisville and moved off not knowing that i was moving for reasons that could have been avoided i wish we could have spent more time together its hard in time i know i will be at ease but for know i greive i do promise you thou i will check on your sisters often and watch them babies grow up to become successful young men just as you would have wanted me to i love you girl

“ *I was a friend of Tinas for almost 2 years. We were not super close but I know she had a wonderful heart and full of life. Hr death has come as a shock to us all. It has hit us all in some way or the other. I will miss her and regret that I didn't get to know her even better. The lord got an angel on Wednesday. I know shes up there wishing we wasn't crying for her but as I write this the tears are flowing down my face. Tina Shown you are a wonderful person and we will never forget you*

“ *Tina was my best friend and has been for the past 4 almost 5 years. There has never been a person so full of love and life than Tina, and there never will be. To know Tina was to love her. We may have lost a best friend, mother, sister, cousin, or whatever else Tina was to others... But that day she passed, God received an angel and I gained a guardian angel. I know she will look down over me for the rest of my life. I love and miss you Tina (and your ninja skills). RIP!*
