“ My condolences to the Wilson family on the passing of Todd. My thoughts and prayers are with you.

Todd and i grew up on the same block in Hebron. We were classmates in school and Todd was one of my best friends growing up. I have fond memories of riding our bikes, playing baseball, and just having fun as boys growing up. Good times and fond memories for sure!

“ Todd was one of the most kind, generous, loving people I've ever met. He always talked about his family and you could see how deeply he loved his family. He taught us all alot about life. He really showed us what a kind soul looked like. He always made us laugh. He always tried to give me parenting advice. And always made sure to ask about my husband and daughter. He called me momma and always made sure if I was having a bad day to say something funny to cheer me up. There are so many memories I will forever cherish of this man. I am thankful to God to have put him in my life and to have let me have known Todd. I sure am going to miss him.

“ Where to start...classmate, always clowning around. My favorite school memory was drivers education. He could park that car up a skunks butt if he had to. The sweat would be rolling down his face but he would do it! Working at the colonial inn restaurant was the best time. He would rub the girls butts while they were bent over scooping out ice cream. Flick peas off the the warming shelf at the waitresses when they came thru the door and always whipping up some kind of new food creation and.rhe mashed potato fights. He was a real hoot and im glad I was able to share some good times with "toddy woddy poo poo". He will be greatly missed by many. Continued prayers for the family... Urby
