“ *Such a sad time for all of us who knew the spirit of life that I called my brother and friend. I pray God's love comforts his family and friends during this tragic time. Anyone who knew Troy, also knew that he always lifted the people around him with his powerful personality, laugh and smile. This world would truly be a better place if more people were like Troy. He deeply loved his Family, Friends, Union Brothers and Sisters, Neighbors and Country and this love showed through his actions and attitude. Such a loss for all of us in this life who had the pleasure of crossing paths with Troy. I am so thankful for the many hours I enjoyed with Troy while either working by his side, eating his delicious cooking or sharing a cold drink and many laughs together. Rest in Peace Brother.*
