“ Monique,

I remember the first time I met Ty and your wonderful family it was the first time I came to church and you offered me a seat next to you. He was a wonderful man and a perfect church brother, I remember all the hard work he done to my mothers house and all the times we shared laughs and happy times it was always a blessing to hear him speak and always a blessing to hear him laugh. I'm so sorry for your loss.

“ I was lucky enough to spend eight months living in Rensselaer, as a sister missionary and even luckier to meet the members in the Rensselaer branch, including the Outzen family. As far as memories with Ty Outzen, the list will go on and on, but one the memories that will always stick out to me is how we searched long and hard for someone to teach and when we recieved an answer only he saw it...because of his dedication and spirit, through him the Lord blessed us. As well as our monthly firesides, we seemed to always have last minute change up's that were crazy and when we did...Brother Outzen was the one to catch it for us..but probably my favorite was his humor...just laughing with him was what I looked forward to, it was the best...Thanks for everything, and making my mission not just a mission, but a lifestyle...my family (even though I might be the only colored in the family)haha, you will always be my family! Love You!!

“ I worked with Ty at Walsh and Kelly off and on for several years. Ty
was always kind with a big smile. We got along well and had several
small talks mostly about his family. He loved to share pictures. I will
always remember his big smile and "Hows Todd doin?" comin from
the cb when I would come in the yard. Miss You Buddy!
