“ TO the family of Vivian.

I had the great honor of getting to work with Vivian as her tenant farmer and then later as her Fertilizer salesman as well. It was always a delight to visit with Vivian. I can remember her mailing or handing me an article from the newspaper that pertained to my children, that act of kindness was greatly appreciated by Maureen and me.

I also have said that Vivian was a Saint. I remember seeing the sacrifice she made to take care of her mother-in-law when she was ill then to take care of husband Bill later when he was ill. But if you asked her if she needed help with anything her response was "I am doing fine." That kind of selfless giving is a model for us all. Vivian lived a wonderful fulling life and will be greatly missed by all. May the Lord take her into the gates of Heaven where she will have everlasting peace and Joy.
