“ Alan,
Your Dad lives on and on inside you and the legacy continues!! (especially since you look just like him!) This is how I feel/know about both of my parents. You will always miss him, but the pain will lessen in time, I promise. On a side note, it was good to see you yesterday. Take care of yourself. You have my empathy and friendship always. Diane

“ It is never easy to have a loved one leave us. Be comforted in the knowledge he is in a better place and there he will be waiting until the time comes for you to join him. My thoughts are with you, Linda, and your family in the time of grieving and sorrow. May you find strength and comfort in having your family close by and knowing you are in our thoughts.
