“ UB, I can't believe the news! I can't believe you're gone! Who's gonna make me laugh every Tuesday, Thursday & Saturday now at our clinic? Every time you would see me go on break, you would yell.. Z, untie me! Lol. Or the sound you would make drinking your water, as if it was your favorite scotch. And especially how you would put your fist up and tell me.. Z, gimme some! God bless you always and may our Lord & Savior accept you with open arms! Rest easy my friend! You will be extremely missed! Z
