Jackson Funeral Chapels - January 16, 2013 at 12:00 AM

“ Jackson family, It honestly has taken me this long to decide what I wanted to say. All I can come up with is that my heart and friendship goes out to each of you. Bill was right there beside my Grandparents on the Scripters and Chupps. (and my memory has many many other family members) And I believe was in school with my parents as well. And then of course Craig you have been there for me with my grandma Wilma Chupp and helped setting up and preparing with my mom Doris, whom I am thankful she is still with us. And knowing Eric through the years too. My brothers went to school with your sister, I was not fortunate to know her. And mother, she always seemed to be such a loving woman. This community has been blessed for many generations of Jackson, and we are blessed. I do pray God is providing comfort to all of you, and I can just see Bill having a great time right now and meeting up with many many others who can sure share a great story or two. Linda Scriptor Lowry and Family. Doris was unable to get out and show her love, but please know mom has always thought the world of Bill and all of you.

I had never had to deal with a funeral home before and they were so kind during my time of need. God has gained an angel when he called Bill home. My thoughts and prayers are with you all during this difficult time. May the many memories you have of him help you thorough this loss.*

“ *As I am saddened by the passing of this great, great man, I wish to express my sincere condolences to the entire family. Mr. Jackson was a wonderful father, not only to his own children, but also to those of us fortunate enough to have the honor to have spent some of our childhood under his supervision. His home was always open to us, and he treated us as family. Much like my own father, words can not describe how great of man he was on earth, and now his greatness is most certainly hard at work in the heavens above. May God be with all of his family as they suffer their loss, and continue to bless them in every way. My thoughts and prayers are with you.*

He leaves big shoes to fill in the community. My thoughts and prayers are with the entire Jackson Family.*
